January 14, 2010

Greetings:

On behalf of the Executive of the Nova Scotia Federation of Union Retirees (NSFUR), I invite retirees to consider joining our organization.

NSFUR has been involved in many campaigns on a number of issues including Pharmacare, and we are now working on a national campaign to improve both the Old Age Security as well as Canada Pension Plan Benefits. We do this through our affiliation with the Congress of Union Retirees (CURC).

We would more participation in our organization.

For \$10.00 per year, you will be a member of NSFUR. Please send a cheque made out to: **N.S. Federation of Union Retirees** and send to the above address. Please pass this information on to fellow-retirees to see if they are interested in joining.

NSFUR will have its Annual General Meeting on May 15th from 10 am - 5 pm in the Admiral Room at the Lord Nelson Hotel in Halifax. We will be sending out registration information soon.

If you have any questions, please contact Joan Wark at the above number/email address. I look forward to your joining NSFUR and hopefully seeing you at our AGM.

In solidarity,

Larry Wark
